Summer 2009

Roll out those lazy, hazy, crazy days of summer...

Summer is upon us again. Time to relax and enjoy beautiful Essex. We hope you will find time to stroll the village and stop by to say "Hi".

Things that have been hot this season are comfy bamboo PJs and robes, bamboo rugs, purses, nautical glasses and accessories, refreshing summer soaps and candles and of course jewelry, especially Chamilia. We are planning our next Chamilia jewelry trunk show in early July. Call us for the date or watch for your invitation in the mail.

Our 2009 Posey bags are in and are going fast! Stop by and get yours with any purchase of \$25 or more.

We will be attending gift shows throughout the summer looking for new goodies to bring in for the fourth quarter. We hope to make your visits in the autumn season enjoyable and exciting.

Our summer hours will be Wednesday through Sunday this year. I plan to spend Mondays and Tuesdays during the summer attending farmer's markets and cooking, my other love.

As always, we welcome your custom flower arrangement and wreath orders. Bring in a sample of your fabric, wallpaper or color and I will create a wreath, arrangement or swag to complement any decor. Stop by or call ahead to meet and discuss how I can help you make your space truly special. It's not too early to start planning that special fall wreath or arrangement for your door.

Don't miss the Essex Village sidewalk sale the first Saturday of August. The merchants of Essex Village will be offering exceptional bargains you don't want to miss.

Check for additional event information on the Essex website at www.essexct.com. There are special activities planned throughout the year.

We **Thank You** for supporting our business during this difficult time. It is gratifying to know you appreciate the special attention a small shop like ours provides. It is a pleasure serving you and we hope to see you soon!

PS: Present this letter when making your purchase and receive **20% off** any single item (excluding florals).

Fondly,

Dottie
