

# A Pocketful of Posies

## Fall Newsletter and Special Events

*Winter is an etching, spring a watercolor, summer an oil painting,*

*and autumn a mosaic of them all.*

### What's new?

We have exciting news! As of October 1 we have a second location in Durham, CT. conveniently located on Main Street (Route 17) at Adams Commons. We have been anxious to return to Durham for some time. We originally started our business in Durham as Favorite Things some 20 years ago before selling it and opening A Pocketful of Posies on Block Island. Now we are only a few doors down from where it all started. We have been working hard to make our new location special and pleasing to our customers. Please stop by and let us know what you think.

We are busy in Essex as well with fall decorations and displays. Seems to come sooner each year! We have many items to delight you such as our always popular Chamilia jewelry, cozy nightgowns and robes, sweaters and beautiful customer furniture pieces made in Texas. These pieces are truly unique and, with the extensive fabric selection, you can create a special accent piece for the perfect spot in your home.

Of course, as always I welcome special orders for your fall wreaths and arrangements; however, business gets extremely hectic this time of year, so please remember to give me at least 3 weeks lead time.

### Special Events

Don't miss our 3<sup>rd</sup> Chamilia trunk show to be held in November. Watch for the announcement in the mail and local newspaper for details.

I'm looking forward to seeing you all this fall and making your holiday shopping an enjoyable experience!

In friendship,

Dottie

*Delicious autumn! My very soul is wedded to it, and if I were a bird*

*I would fly about the earth seeking successive autumns.*
