Spring 2009

"Love and kindness are never wasted. They always make a difference. They bless the one who receives them and they bless you, the giver"

Barbara De Angelis

Spring is in the air. The crocus is blooming, the daffies are up and the sun's rays are feeling good! Essex is starting to stir after its long winter sleep and Main Street is bustling with spring activities.

We are busy as well setting up and displaying new items to brighten your day. We have closed our downstairs temporarily to do some much needed sprucing up and have consolidated our merchandise on the main and upper floors. Both are chock full of neat stuff for you to see.

We ordered our signature Posy bags for 2009 and they will be arriving sometime in May. The bags are free with a \$25 purchase and they go fast. We have started to get enquiries about their arrival already so be sure to check in periodically so you won't miss out.

Don't forget Mother's Day. We have some special items that will please and delight such as our incredibly soft and comfortable bamboo PJs.

As always, we welcome custom floral designs and special orders. Bring in a sample of your fabric, wallpaper or color and I will create a wreath, arrangement or swag to complement any decor. Stop by or call ahead to meet and discuss how I can help you make your space truly special.

While visiting, please let us know if there is anything we can do to make your visit more enjoyable. **Thank You** for supporting our business over the years. It is a pleasure serving you and hope to see you soon!

Fondly,

Dottie

"When you carry out acts of kindness you get a wonderful feeling inside. It is as though something inside your body responds and says, yes, this is how I ought to feel."
